

# 2017-2018 Verification Worksheet

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, Sauk Valley Community College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Assistance Office. We may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed. Your financial aid will not be processed if you fail to turn in all required documentation.

**A. Dependent Student's Information**

**B. High School Completion Status**

To verify the student's high school completion status, you must prove the Admissions and Records Office one of the following documents:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A state certificate or transcript received by a student after the student passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If state law requires a homeschool student to obtain a secondary school completion credential (other than a high school diploma or its recognized equivalent), a copy of that credential has been provided.
- If state law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, the student should contact the Financial Assistance Office. The Financial Assistance Office will not apply aid to a student account until the student has met at least one of the above high school completion requirements. Sauk Valley Community College cannot complete the verification process until the provided documentation has been evaluated by the Admissions and Records Office.
