Name: _____ **Student I.D.:** _____

FEDERAL FINANCIAL AID AUTHORIZATION

In addition to the payment of tuition and required fees, I authorize SVCC to apply excess Title IV aid to the following charges: books and supplies, parking fines, library fines, locker charges, public transportation, short term loans, graduation expenses, meal cards, and any other college charges. I understand that this authorization is voluntary and will remain valid as long as I am enrolled at SVCC.

INFORMATION ON WITHDRAWING FROM CLASSES

Return of Title IV Funds. As a recipient of financial assistance funds, you are also subject to the Federal Return of Funds Policy. This means that if you withdraw completely from all full-term courses at SVCC, you may be required to repay a percentage of the financial assistance that has already been awarded. If you are wishing to withdraw from classes, or decide not to attend SVCC, the official class withdrawal process must be followed up with the Admissions & Records Office.

You have the right to rescind the authorization at any time by submitting a withdrawal of consent in writing to the Financial Assistance Office.
