# QUEST CATERING INFO

In this Quest Catering Guide, you will find your favorite items as well as some new and exciting meals. You are not limited to the items on this guide as we can customize a menu suited for your needs.

We are passionate about food and we believe in wholesome, nutritious ingredients. That is why we are committed to using items that are healthier for both our bodies and the planet. We are sensitive to allergies and food intolerances so please let us know if you or your guest has special dietary needs.

Please specify how many of each item you would like to order. We ask that all catering requests are placed a minimum of five business day prior to your event. Larger events may require additional lead time. Though we try to accommodate all requests, those placed less than two days prior to the event may be subject to a late fee.

Email all Catering Requests to [skyhawk.cafe@svcc.edu](mailto:skyhawk.cafe@svcc.edu). You will receive a confirmation email to let you know that we have your order.

Feel free to call Heather Brown at 815-835-6286 if you have any questions.
