Success Week Workshop Descriptions

MATH STUDY SKILLS - Do you struggle when it comes to math classes? Learn some tips to help you overcome your math difficulties and succeed!

STRATEGIES FOR OVERCOMING TESTING ANXIETY - Do you feel stressed at the thought of an upcoming test? Learn some techniques to help you stay calm and confident.

STUDY SKILLS 101 – An introduction to some basic study skills. The techniques that you will learn are listening skills, note-taking skills, how to develop a reading strategy, study tips, test preparation tips, and test-taking strategies.

BIOLOGY STUDY SKILLS FOR SUCCESS- Learn some study skills that you can apply specifically to your Biology class this semester.

EXPLORING SCHOLARSHIP OPPORTUNITIES AT SAUK – Sauk offers thousands of dollars in scholarship money throughout the year. During this session, students will learn more about the scholarships available as well as the application process. Don't miss this opportunity to learn more about funding your education at Sauk!

To reserve your spot please contact Sasha Logan at sasha.b.logan@svcc.edu.
